MEMORANDUM FOR: Director of Personnel

FROM : [REDACTED] Chief  
Position Management & Compensation Division

SUBJECT : Implementation of the 1976 PMCD Survey of the  
Office of Personnel

1. This is in response to our recent conversation concerning the recommendations contained in PMCD's 1976 Survey of the Office of Personnel which have not been implemented.

2. Attached is a chart listing the unresolved positions and showing our earlier results as well as our current recommendations. I have not included our findings concerning Staff Personnel Division since we have new position descriptions and plan to survey it later this year.

3. While I realize that Qualifications Analysis Branch and Statistical Reporting Branch are considering a reorganization and possible merger, I suggest we implement the survey recommendations at this time and later review any changes which may result from the reorganization.

4. In an effort to implement our recommendations, we encourage any component managers who disagree with them to appeal directly to you.
